THE TIRE SWING

We have a new tire swing in the park in my neighborhood. Our fathers hung it for my friends and me to play on. The swing hangs in a big oak tree. We have lots of fun playing on the tire swing. I love to sit in the tire and swing from the tree. My friends in the neighborhood like the tire swing, too. We take turns swinging and pushing each other on the swing. The park is a great place to play. The new tire swing makes playing in the park even more fun.
